## OHIO HORSEMAN'S COUNCIL, INC.

### Office of the President

Arden Sims

787 Lovers Lane

Beverly, OH 45715

PH: 740-350-2339

E-mail: [president@ohconline.com](mailto:president@ohconline.com)

Dear Member:

I personally want to welcome you to the Ohio Horseman's Council. We are an all-breed, all-discipline organization, and our commitment is reflected in our motto "Horsemen Helping Horsemen". Started in 1972, today OHC has thousands of members throughout our beautiful state, and neighboring states, either at-large or within over sixty of the eighty-eight counties of Ohio. OHC is the largest state Horse Council within the American Horse Council family.

We are involved in many activities, including state, regional, and county rides, member education, legislation affecting all aspects of the equine industry, search and rescue, trail building and maintenance, and supporting our youth through volunteer service at the All American Youth Show, with 4-H programs, and through our own programs. As a member, we welcome your support and input to make the Ohio equine scene more enjoyable for everyone.

It is an honor and privilege to be President of OHC, and one of my commitments to the equine industry is to protect, improve, and expand our Ohio trails and to protect our freedoms as equine owners.

Communication is a vital component of any organization. If at any time you have questions or comments, I am available either by phone or e-mail. If I don't have the answer to your questions, I will refer you to someone who will be able to help you. Our organization operates on a volunteer basis, and many of these volunteers serve as chairs or take part in various committees and, in most instances, have the answers. Also, our website, [www.ohconline.com](http://www.ohconline.com) has information and announcements of interest to our members. A copy of the OHC By-Laws and of the OHC Standing Rules also can be printed from this website for your use and information.

OHC is here to help you achieve your goals in the horse industry. Again, please feel free to call, e-mail, or write to me.

Thank you for your membership.

See you on the Trails,

*Arden Sims*
