50/50 and Door Prize Drawing

### MONDAY

On your own until you choose to leave

Expanded  
Tie Lines &  
Camping  
Space!

New!  
Silent  
Auction

On Friday and Sunday where food is available, we ask that everyone bring their own plates, utensils and drinks. All food will be served by a limited number of Fairfield OHC members who will be wearing a mask and gloves. Bring your own lawn chair to sit in as no tables or chairs will be set up for the purpose of eating. You can space yourself out as you feel comfortable to assure social distancing guidelines. Masks are encouraged while in groups where social distancing can not be met. You are also free to take your plate back to your camper.

A campfire will be available but again we ask that everyone observe the social distance guidelines. Same request applies to the Saturday evening entertainment provided by Travis Brown.
