

Trail Mileage & Saddle Hours - standard form for members

(Revised 1/5/2021)

Document owner: Trail Mileage & Saddle Hours Chair

Contact info: trailmiles@ohconline.com

REPORT your TRAIL MILES & SADDLE HOURS

Please report your **miles** ridden on trails and **hours** spent training, competing or driving.

See the year-end INDIVIDUAL SUMMARY form on the next page.

(Or you may report using your own list of your trail miles and saddle hours.)

Enter **ONLY** member's name that has miles/hours. One member per form.

Do not submit non-members - ask them to join!

MILES ridden or driven on trails are reported by **location**.

SADDLE HOURS are the time spent in the saddle or driving, (training or showing) not on the trail.

Trail Mileage - Enter member's totals for each location. Please use whole numbers and round up.

If location is not listed, enter location in extra space provided on form.

Saddle Hours - Enter member's totals in saddle hour categories: Competing, Schooling, Driving.

Please use whole numbers and round up.

REMEMBER: MILES AND HOURS ARE NOT THE SAME. **MILES ARE USED ONLY WHEN TRAIL RIDING.**

ALL OTHER RIDING IS COUNTED IN ONE OF THE SADDLE HOUR CATEGORIES.

- ♦ **PARKS/FOREST** trail miles are ridden on a legally designated trail in any park or forest owned by a city, a county, the state of Ohio, or the federal government within the state of Ohio.
- ♦ **PUBLIC/PRIVATE:** **Public** trails are open to the general public and are owned by an individual or organization. Rails-to-trails, plus county and state roadways, are also considered public trail miles. **Private** trails are NOT open to the general public and are owned by an individual or organization.
- ♦ **OUT-OF-STATE** trails match any of the above criteria but are ridden in a state other than Ohio.

Please send your report by **January 15, 2021** to your **chapter's Mileage Reporter** for tabulation and submission to the state Trail Mileage & Saddle Hours Chairperson.

** Documented equine activity helps OHC to maintain, improve, and expand the trail systems/facilities in Ohio. This data helps us bring a stronger case to our legislature for provision and funding of horse trails. OHC annually recognizes levels of members' accomplishments with awards. **

The form on the following page contains all of Ohio's trails as well as popular out-of-state trails. There is an area for reporting "Saddle Hours" for schooling, competition and driving.

Individuals are to use this form to submit miles to the county.

ONLY At-Large members, send this form directly to state Trail Mileage & Saddle Hours chairperson.
