

# Junior Ambassador Initiative

No matter how old you are; there is a younger person watching you.  
Lead by example.

Submit photos on Ohio Horseman's Council FB page (if you parental consent) or [promotions@ohconline.com](mailto:promotions@ohconline.com)

- Junior Ambassadors will advocate to their peers and others for the OHC. This may include speaking about the OHC, spreading word of OHC events, and inviting others to OHC events. They will also advocate helping others when needed and leading by example. They will also seek more knowledge in the horse industry as well as advocate for the use of public land for recreational use.

- Junior Ambassadors will earn points from February 1 thru Dec 31 (\*\*see below) by completing tasks with winners announced at the Spring 2026 state meeting. These tasks are aimed to gain knowledge, assist others, and become a more well-rounded individual as well as prepare youth to serve in offices within the OHC as young adults. The points will be tallied by the Junior Ambassador chair & committee for each region and then approved by the program chair and sponsor. Each region high point JA will be awarded a Belt buckle. The youth high point for the state of Ohio will win a \$250 scholarship for that year.

\*\* will accumulate points in 2025 from February 1 thru December 31, 2025 during program launch. Beginning 2026, points will accumulate beginning Jan 1 thru Dec 31 of each calendar year.

**When can I start to earn points?** JA's can start getting points as of Feb 1 2025 as long as they are listed on a family or youth member ship of OHC & entry form to the Junior Ambassador program is filled out & turned in.
